### EQUIPMENT

Nazdar SourceOne is proud to offer a full range of wide and super wide format printing equipment. We have partnered with the top brands including Roland and EFI to bring you comprehensive solutions that are reliable and versatile. Whether your business is sign printing or POP graphics, we have a solution that will fit your needs.

Roland VG2 Series

EFI Pro 16h LED

Choosing the right piece of finishing equipment for your application is critical to overall success. Nazdar SourceOne offers equipment from Esko, Royal Sovereign, Fotoba, Colex, Foster and many more, bringing you a wide range of machinery to fit any finishing application.

### INKS

Roland and EFI inks are available for their complete lines of equipment. From the latest UV-LED curing technologies, to reliable eco-solvent cartridges, SourceOne has the manufacturers' specified ink to suit your needs.

Nazdar digital inks can be used in a wide selection of digital inkjet printing presses like Roland, NUR, Scitex, Mutoh, Océ, Mimaki, Gandi, Hewlett-Packard, Agfa, Teckwin and other notable wide format digital printers. Whether printing indoor or outdoor applications on paper, plastics, textiles, metal, glass, or containers and packaging, there's a Nazdar ink that's right for every job.

### SUPPLIES

Nazdar SourceOne has expanded our portfolio to build a strong offering of print media products. We offer innovative solutions for applications such as indoor and outdoor signage, vehicle wraps, trade show displays, interior decor, point of purchase displays, building wraps, window graphics, backlit displays, laminating and dye sublimation. Our suppliers deliver unique solutions and specialty substrates for myriad inks and printing techniques. With today's competitive market and high quality standards, Nazdar SourceOne is proud to offer you wide format printing supplies from the following brands:

# NAZDAR SOURCEONE DIGITAL TECHNICAL SERVICE

## DEDICATED PHONE SUPPORT

Nazdar SourceOne's Digital Technical Service team supports you with over 150 years of combined dedicated expertise. Our specialists can provide true issue resolution when you need it. They are ready to help troubleshoot your difficult ink and printer issues and will recommend solutions that fit your needs.

## EXPERT INSTALLATION & ON-SITE TECHNICAL SERVICES

With a nationwide network of field support technicians, we are ready to work with you on your printer repair and preventive care needs. Nazdar SourceOne Digital Technical Service also provides expertise in ink conversions and equipment optimization, saving you 30% over OEM inks. The team can support you with qualified warranty service for EFI and Roland printers as well as remote assistance to help troubleshoot printer challenges and get you back to printing.

## COLOR MANAGEMENT

When your business depends on accurate color management, Nazdar SourceOne Digital Technical Service is ready to support you in a variety of RIPs, including Wasatch, Onyx, Caldera, ErgoSoft, EFI Fiery and Roland Versaworks. They are here to help you in profiling and education as well as G7 certification through Nazdar Consulting Services.
